

September 3: Hieromartyr Anthimus

Kontakion, Tone 4

Obikhod

Having lived piously a - mongst priests and finished the path of

mar-tyr-dom, thou didst extinguish the immolations of the i - dol - a - tors,

being a champion for thy flock, O divinely wise one. Where-fore it now

honoreth thee mystically cry-ing out: By thy supplications deliver us from

mis - for - tunes, O ever-memorable An - thi - mus.
