

Troparion - Relics - Protomartyr Stephen

August 2

Tone 4

Obikhod

Thy relics have risen from the depths of the earth,
like a treasury for the immortal life of all cre - a - tion.
The Church, rejoicing in the grace that she re - ceives from them,
duteously honors thee, O Protomartyr Steph - en.
Preserve us from error and heresy by thine in - ter - ces - sion!
