You have enabled all men, O thrice-bless-ed Fa-thers, to come to the knowledge  
of the Trin - i - ty as the Cause of the worlds gen - er - a - - tion;  
for by your mystical rea - son - ing you established three and four  
Coun - cils, and you appeared as champions of Or - tho - dox - y,  
for you showed that, while there are four el - e - ments,  
it is the Trinity Who created them and made the world.
