

# Troparion - Martyr Anastasius the Persian

January 22

Obikhod

Tone 4

Thy holy martyr A - na - sta - si - us, O Lord, through his suffering  
has received an incorruptible crown from Thee, our God.  
For having Thy strength, he laid low his ad - ver - sar - ies,  
and shattered the powerless boldness of de - mons.  
Through his intercessions save our souls!
